Who we are?

A sister concern of Dev Ventures (I) Pvt. Ltd & Safpack packaging solutions, Zambia.

A new venture founded by managing director of Dev Ventures, Mr. Hardik G Dawar. Safdev trading is sourcing / inspection / logistics partner. Sourcing from a pool of experience & certified trusted suppliers with varied range of materials and packaging products.

Why we are in the Procurement business?

Let's face the elephant in the room!

Businesses with supply-chain interruption can disrupt cash-flow and loose trust with their customers.

Simply put, *we are in the business to help you create a robust supply chain as your reliable procurement partner.*

How do we help you with?

We just happen to have a robust goods and services network

With over **10000+ suppliers** ready to help you with your procurement needs and save you from supply-chain disruption.
